## Welcome to the Guam Public Library Systems' 2014 Summer Reading Program!

GPLS will once again be partnering up with Antwerp Sunshine Library in Michigan and the theme this year is... Dig Into Reading!

The Summer Reading Club is a special time during summer vacation (6 weeks) for children 0-12 years old to have fun reading and participating in activities that ignite imaginations and foster learning.

The Library's goal is for participants to collectively read a total of 10,000 books over the summer. Readers will set a personal goal based on the types of books they like to read.

All Participants must be registered members at the Library! Everyone who registers, receives a book log each week to Track the number of books they read and the number of visits to the Library.
